

KARATE COMP DEV PILOT COURSE

PROVINCIAL TEAM COACH WORKSHOP
OTTAWA AUGUST 27-29, 2010

Requirements:

To participate in the workshop, you must have completed the theory 3 workshop or theory and technical level 2 of the NCCP program.

You must also be actively coaching athletes competing at the national level.

The Provincial Team Coach workshop or Comp. Dev. is the equivalent of the level 3 in the old NCCP. Coaches taking this workshop and the comp Dev. Multisport Modules will receive a card from the Coaching Association of Canada with the mention Comp Dev trained. This brings Karate Canada one step closer to Conditional Approval of the program. This will open doors to Canada Games, Western Canada Games, Grants for NCI candidates and much more.

Even though this is a pilot course to test out and adjust the training program, coaches will be credited with the completion of the Provincial Team Workshop. The good news is that, it will be free.

There are 4 modules in the Workshop:

Performance Planning (YTP)

Analyze Technical and Tactical Performance

Plan a provincial team practice
