

## **200 Attend the “Vancouver Island Karate Championships” in Duncan, BC – April 27, 2002.**

**By Loretta Schwab**

A total of 200 competitors attended the Vancouver Island Spring Karate Championships held recently in Duncan, BC.

Athletes came from the lower mainland Vancouver Region, Sunshine Coast and from all parts of the Island.

There were two officials from the Vancouver Region – N. Foster, and M. Doherty as well as Officials from all over the Island. With such a big turn out of Officials we were able to man four rings.

Our Officials did very well at the Referee Seminar held on the Friday night. Ms. Norma Foster was kind enough to host the Seminar. After the Saturday tournament there were four new B/A officials and many others were able to re-qualify under the new WKF rules.

The tournament in Duncan commenced on time and ended early. Apparently in Duncan start time means 9:30 and tournament completion time means 4:30. True to form Sensei Fernando Correia made it happen. He is a Sensei of many talents, and with out those talents the tournament could have turned out different. No job is too small or menial for this Sensei.

There was also no shortage of Volunteers. They came from around the Island, and a special few volunteered from the Kingsway Shito-Ryu Dojo. A big thank you to Wallace Choy and his family, who spent the day competing, volunteering, and being the tournament announcer. Our Paramedic volunteers made a point of assigning one paramedic to each ring. You didn't even have to shout when you needed their help, although they weren't used much, since there was so few contact injuries.

The food for the Volunteers and Officials was awesome. Dawn Bjornson and Alana Correia (yes Sensei Correia's wife) did a wonderful job of putting together all of the food for the day. They also took care of all the food preparations for the following days' barbeque for the volunteers.

Over all the tournament ran on time, ended early, no lack of food, volunteers and officials. A lot of people were overheard saying how well run the tournament ran. It couldn't have happened without the help of all of our Volunteers, Officials, First Aid and all of the wonderful competitors who made this tournament such a great success.

The Fernando Correia School of Karate looks forward to seeing all of you again next year.
